What is Playgroup?

Playgroup is an informal gathering and free play environment for people with young children from birth to school age. It is a safe place for playing, growing and making friends. Playgroup is all about cooperation, tolerance, creativity, making friends and having fun together. Playgroup does not make any profit, nor does the Committee and is run by us, the members.

Can I just take a look?

We invite you to wander into one of the sessions and find one that suits you. You can visit up to two times before joining. Seek out the session leader who can help you with more information on how each session works.

Playgroup is great fun for all so get involved and enjoy meeting lots of people from your local area!

How much does it cost?

Yearly fees include two payments: membership fee of \$39 to Playgroup NSW Inc and a one-off \$30 session fee to cover all Bondi Beach Playgroups session fees. That means you can attend one or more sessions at either of our playgroups during any week. Membership is for 12 months from the date of joining.

For members of other playgroups visiting casually the individual session fee is \$5.

Our fees are kept low, as our members are encouraged to become involved in fundraising and the running of our Playgroup.

Playgroup is a nut-free zone
